VFD810-50

8" DIGITAL PHOTO FRAME

Beautiful Style, Just Plug and Play.

The new 8" ViewSonic® VFD810-50 supports high resolution of 800x600. The aspect ratio of 4:3 is the best format for displaying digital photos where images appear undistorted and without any loss of data. The VFD810-50 supports most popular card readers. Easy to use on-screen menus and controls allow you to create and edit your own personal slide shows. The stylish frame design complements any home or office. It's a great gift for any occasion: birthdays, anniversaries, graduations, baby showers or get one for yourself and show off all of your favorite photographs with quality, convenience and style.

- 4:3 aspect ratio displays digital photos without distortion
- Selectable slideshow speeds and brightness adjustments
- Supports JPEG photo format
- Supports most popular memory cards
- Slideshow feature lets you add transition effects and vary display speeds
